Subject: 2016 McDonnell Award

Congratulations!

I am very pleased to notify you that the '**Electronic Form Presentment Project**' has been selected as a 2016 Tom McDonnell Award **Finalist** in the category of **External Service Excellence**. This Award recognizes outstanding achievements in innovation, internal service excellence and external service excellence. It is the highest enterprise-wide honor a DST associate or team can receive and your project was selected from a highly competitive pool of applicants.

I appreciate all of your hard work and commend you on a job well done! In recognition of this achievement, each eligible project team member listed on the McDonnell Award submission form will receive an equal portion of the \$2,500 award (note: team members who are no longer with DST or those with a title of Director or above are not eligible for a cash award). This financial award will appear in one of your January paychecks. In addition, I'll be sending you a certificate and letter of recognition to mark this achievement.

Congratulations again on this significant accomplishment and keep up the good work in 2017!

Stephen Hooley
