Subject: Best Project of the Quarter - Q1 2014

Good afternoon!

It gives us immense pleasure to announce the “**Best Project of the Quarter**” for Q1, 2014”. Projects have been divided into three categories (Large, Medium and small) and they were analyzed based on pre-defined criteria / parameters.

- The close contenders for the best project under large projects category are **PSTEPP, TRAC QA & TRAC General Development**

- The close contenders for the best project under medium projects category are **RICC, EDI / ETL, PPSIT & Amisys Advance**

- For small projects category, none of the projects have made to final

And winners of “The Best Project” of the Quarter 1, for the year 2014 are.....

- **Large projects Category**

- **PSTEPP – Sunny Arora and team (Score 74)**

- **Medium Project Category**

- **EDI / ETL – Karuna Manuguri and team (Score 72)**

&

- **RICC – Subba Rao Allamneni, Surya Rao Rayarao and team (Score 72)**
