Individual Performance Goals

4. Surya 2017 - Collaboration

Throughout 2017, work across roles, across teams, across our organization and around the world to achieve our shared purpose and goals.

- Communities
- Cross team programs, projects, initiatives (all levels of organization, internal and external to dev group A B C and beyond)
- Architecture
- Security
- Support
- Implementation
- Product Management
- Business Units
- Client Relationship Management
- Customers

Due Date: 12/31/2017 Status: 5 - Complete Completion Date: 11/15/2017

Category:

Supports: 2017 AFord: Collaborate and build efficient and productive working relationships with the members of your project team and across the organization

Weight: 20

Manager Evaluation

Rating: 4-Exceeded the goal(s) and expectation(s)

Comment: Surya works with a variety of associates across different groups. Between the API and RICC projects he is working with architecture, middleware, security, database, SCM, release management and his own team so he can develop and support the applications he works on.

Employee Evaluation

Rating: 5-Far exceeded the goal(s) and expectation(s)

Comment:

1. Actively worked with teams across locations especially with architecture team to resolve time to time challenges
2. Gave utmost priority to client research items, responding to the requests.
3. Actively participated in developer meets.
4. Worked closely with Dale, Doug and architecture teams during security discussions.

Additional Manager Evaluation

Activity Stream:

08/15/2017, 11:10:51.884 AM: (Surya Rao Rayarao) - Participating actively in Developer Community meetings. Helped other teams including RICC, AMS BSL, BOC teams with any questions/help.

- Worked with Dale Highfield to enhance the code generator tool for RS
- Worked with Hyderabad team to setup and deploy Swagger UI tool to extract the reports.
- Worked closely with Architecture on security, intake review, service orchestration, implementing the code review standards.
- Actively contributed to build first Permission builder for the team and documented the process.
- Actively worked with Dale on implementing the employee SAML security for multiple roles.
- Developed a simple SAML token generator tool to help QA and team to generate POSTman token easily.
- Available all the time for RICC Support even though I'm not active part of the team.
- Helped AMS Docupace support teams with answering questions.
- Working on overall speed of delivery and quality of the code by developing reusable components within the BSL.

3. Surya 2017 - High Performing Team

Throughout 2017, embrace and demonstrate the characteristics of High Performing & High Trust Teams.

Due Date: 12/31/2017 **Status:** 5 - Complete **Completion Date:** 11/15/2017

Category:

Supports: 2017 AFord: High Performing Team

Weight: 20

Manager Evaluation

Rating: 4-Exceeded the goal(s) and expectation(s)

Comment: The success of the Lincoln API Projects this year shows that we have been working as a high performing team. We have been able to deliver on time with the planned scope or additional scope with all of the projects in 2017.

Surya has learned the environment setup for API's and how they should be coded. As he

Employee Evaluation

Rating: 5-Far exceeded the goal(s) and expectation(s)

Comment:

1. I strongly believe that team collective performance is always more important than individual performance.
2. Always worked closely with each team member to build a smooth, high performing team.
3. Always ready to help other team members especially when they are in need of technical

learns new things that would be helpful to others he adds that information to our team page that can be shared.

help or having questions

4. An example, I always try to give my best while handing over a story for QA testing with all required details with screenshots, sometimes with scenarios spreadsheets to make their testing go smoothly.

5. I love this team, amazed to see how friendly, cooperative, understanding each one is, always love to go out for team lunch with team.

Additional Manager Evaluation

Activity Stream:

08/15/2017, 11:02:19.865 AM: (Surya Rao Rayarao) Actively part of the team, always ready to help team with any technical question/challenge. I Always believe in team spirit and team trust. I'm really fortunate to work this great team.

5. Surya 2017 - DST Values

Throughout 2017

- Have a positive attitude
- Create opportunities and deliver great results
- Be ethical, honest, reliable, consistent and accountable
- Believe in yourself and your team

Due Date: 12/31/2017

Status: 5 - Complete

Completion Date: 11/15/2017

Category:

Supports: 2017 AFord: Act Aligned with DST Values

Weight: 10

Manager Evaluation

Rating: **4-Exceeded the goal(s) and expectation(s)**

Comment: Surya is a very positive individual and his easy going personality is a great asset to have on the team. He see's the best in everyone and strives to help them excel in their job. As he learned more about the API's he realized there was an opportunity to develop a code generator to help move along the process.

Employee Evaluation

Rating: **5-Far exceeded the goal(s) and expectation(s)**

Comment: Having an excellent positive attitude and can work with any team member very easily and comfortably.
Always helping other team members whenever there is an opportunities to help in delivering great results
100% ethical, honest, reliable, consistent and accountable
Strongly Believe in myself and my high performing team

Additional Manager Evaluation

Activity Stream:

08/15/2017, 11:13:56.572 AM: (Surya Rao Rayarao) - Having an excellent positive attitude towards the work and the team to contribute in delivering highest quality code on time.

- Working closely within the team and teams outside for a smoother development and delivery to produce great results
- 100% ethical, honest, reliable, consistent and accountable
- Strongly believes in myself and my team to achieve overall success as a team.

2. Surya 2017 - RICC

Based on my job responsibilities, work with my high performing team to efficiently support the RICC application with high quality within standards outlined in the appropriate SDLC.

Due Date: 12/31/2017 **Status:** 5 - Complete **Completion Date:** 11/15/2017

Category:

Supports: 2017 AFord: Client Focused Development Delivery

Weight: 20

Manager Evaluation

Rating: 5-Far exceeded the goal(s) and expectation(s)

Comment: Surya works on the RICC efforts in addition to his core project work on API's. He attends the daily stand up meetings to be a sounding board for Rob when there are issues or questions. He was the backup on-call earlier in the year in case one of the other 2 RICC associates couldn't be reached and is now the full time backup on-call until new associates get up to speed. He also helps with the upgrade or code install verifies when needed. Even though he is not assigned to this project/application he continues to help support it and educate others.

Employee Evaluation

Rating: 5-Far exceeded the goal(s) and expectation(s)

Comment:

1. I'm always available for the RICC team for any kind of help with business, functionality, technical details.
2. Always stood for any late night support, covering of team vacation time.
3. Constantly built a high quality DST Connect documentation to make the RICC knowledge available all the time.
4. Worked proactively in RICC while ensuring zero to minimal impact to current project deliverables.

Additional Manager Evaluation

Activity Stream:

08/15/2017, 11:00:17.962 AM: (Surya Rao Rayarao) I was available all the time for Karthik and Rob for their questions related to RICC, especially to handle RICC Production support tickets, we were successfully able to document most of the support procedures and supported RICC nightly during off hours until RICC Team was ready to take up.

1. Surya 2017 - Lincoln Web Services

Based on my job responsibilities, work with my high performing team to efficiently deliver Lincoln Web Services on time, on budget, with high quality within standards outlined in the appropriate SDLC.

Due Date: 12/31/2017 Status: 5 - Complete Completion Date: 11/15/2017

Category:

Supports: 2017 AFord: Client Focused Development Delivery

Weight: 30

Manager Evaluation

Rating: **4-Exceeded the goal(s) and expectation(s)**

Comment: Surya was quick to learn the procedures and standards for the API's. He pays special attention to the roles and security for each of the API's. Surya always completes his commitments for the sprint and can typically pull in more work. This has helped up meet all or more of our project commitments for the year. He developed a code generator that the team has used to help speed up the development of the API's.

Employee Evaluation

Rating: **5-Far exceeded the goal(s) and expectation(s)**

Comment: 1. Met 100% of my job responsibilities and delivered all of the APIs on or before the planned dates with excellent quality
2. Demonstrated high performing quality with improved speed of delivery of all of the Lincoln Web Services.
3. 100% of the services were delivered on time, on budget, with high quality within standards outlined.
4. Helped in building the high performing team while improving the overall technical skills to deliver the services faster.
5. Worked closely with team members, architects other development teams to resolve the challenges and to improve the overall quality of delivery.

Additional Manager Evaluation

Activity Stream:

08/15/2017, 10:55:42.848 AM: (Surya Rao Rayarao) Working closely with architecture, QA, business team to deliver highest quality code on time. Actively participating in code reviews, developed lot of documentation around the standards and technology. Enhanced Code Generator tool to improve the overall speed of delivery and quality of the code.

Rating: **4-Exceeded the goal(s) and expectation(s)**

Employee Evaluation

Calculated Rating: **5**

Rating: **5-Far exceeded the goal(s) and expectation(s)**

Guiding Behaviors

Instills Trust

Gaining the confidence and trust of others through honesty, integrity, and authenticity.

Manager Evaluation

Rating: **4-Excelling**

Comment: I can depend on Surya to finish his commitments within a sprint. I also know that if there are issues with RICC and I can't get ahold of a RICC team member then Surya will handle the issue.

Additional Manager Evaluation

Employee Evaluation

Rating: **5-Talented**

Comment: Always stood for the team work and high performing team.
I was always honest and trustful with each of the team member to instill the trust.

Collaborates

Building partnerships and working collaboratively with others to meet shared objectives.

Manager Evaluation

Rating: **4-Excelling**

Comment: Surya has worked with a variety of associates throughout the year as he started working on the API and continued to support RICC. He is very professional and easy to work with. People reach out directly to him to get his assistance when there is a problem because they can count on him to resolve the issue.

Additional Manager Evaluation

Employee Evaluation

Rating: **5-Talented**

Comment: Worked actively with architecture and other groups to improve the current design and security standards.
Worked closely with other team members and groups to deliver the quality results on time.

Ensures Accountability

Holding self and others accountable to meet commitments.

Manager Evaluation

Rating: **4-Excelling**

Comment: Even though he is not allocated to the RICC project team anymore Surya is still mentoring the RICC associate and makes sure if there is an issue it gets addressed in a timely manner. He does this during working hours and when called during off hours.

Additional Manager Evaluation

Employee Evaluation

Rating: **5-Talented**

Comment: 100% accountable for all of the work that I'm involved with.
Always stood for late night support, working with other groups to resolve the issues.

Client Focus

Building strong client relationships and delivering client-centric solutions.

Manager Evaluation

Rating: **3-Skilled**

Comment: As Lincoln was implementing API's the team needed to answer questions and research issues. Surya helped with this effort and sent responses back to me so we could provide the information back to the client.

Additional Manager Evaluation

Employee Evaluation

Rating: **5-Talented**

Comment: Worked on client specific requests with highest attention and delivered 100% of the requests on time.
Worked closely with team members and other groups to understand the client expectations, existing functionality to improve the overall client experience.

Develops Talent

Develops self or others to meet career and organization goals.

Manager Evaluation

Rating: **4-Excelling**

Comment: Surya continues to be the person that gets others started when moving onto the RICC team. He gives the business and technical overview and answers questions. He also mentors junior associates and interns on the team. He has done a good job getting up to speed on the API standards and procedures this year so we could have successful projects installing throughout the year.

Additional Manager Evaluation

Employee Evaluation

Rating: **5-Talented**

Comment: Built and improved my overall skill set related to REST web services, security standards. Always willing to learn new things and technologies to improve my productivity, knowledge, skills to deliver highest quality code on time.

Communicates Effectively

Developing and delivering multi-mode communications that convey a clear understanding of the unique needs of different audiences.

Manager Evaluation

Rating: **3-Skilled**

Comment: Surya keeps me up to date with current status on his tasks so I know how he is progressing. He listens when others are talking and doesn't interrupt. When sending emails with issue information/resolution he provides useful details that help others understand the problem. He is also able to adjust his message based on whether he is talking to a technical vs. a business person.

Additional Manager Evaluation

Employee Evaluation

Rating: **5-Talented**

Comment: I was always clear and provided complete and more detailed information whenever there is an opportunity. I was always gave my best to explain and demonstrate my understanding.
