Employee Overall Evaluation

Calculated Rating: 5
Rating: 5-Distinguished Performance
Comment:

- Overall it was a great experience working with my team this year
- I professionally gained lot of experience working on multiple project with multiple technical areas.
- Very happy to deliver Rapid Delivery Project and gain knowledge especially in Apigee.
- I continue to strive to improve personally and professionally to become a better team player and to contribute overall success of the team and organization.

Individual Performance Goals

Surya 2018 - Lincoln Web Services

Based on my job responsibilities, work with my high performing team to efficiently deliver Lincoln Web Services on time, on budget, with high quality within standards outlined in the appropriate SDLC.

Due Date: 12/31/2018 Status: 5 - Complete Completion Date: 11/14/2018

Category:

Supports: 2018 - Ford - Project Execution, Quality & Efficiency

Weight: 20

Manager Evaluation

Employee Evaluation

Rating: 4-Exceeded the goal(s) and expectation(s)

Comment: I agree with Surya's comments. Surya consistently worked with others on his team and other teams to help share information, for example he has learned a great deal and shared with other knowledge about APIM tool. He has looked for efficiencies and has shared what he has identified.

Rating: 5-Far exceeded the goal(s) and expectation(s)

Comment:

- Worked closely with the team on a daily basis to delivery highest quality code with 0 to minimal defects within the timelines always.
- Delivered 100% of the Lincoln Web Services on time, on budget, with high quality within standards outlined in the appropriate SDLC.
- Made Sudheeshna and Sumalatha technically strong by providing them required knowledge both technically and functionally on day to day basis to build a balanced team.
- Implemented very detailed and rich DST connect technical documentation to build knowledge sharing culture and improve the productivity of technical teams across DST RS.
- Customized DST RS BSL Code generator tool and built detailed technical notes for anyone to easily use, implement and extend the RS BSL APIs to improve the overall efficiency, productivity and quality of code.

Additional Manager Evaluation

Activity Stream:

09/25/2018, 12:55:28.994 PM: (Surya Rao Rayarao) Proactively took initiation to participant in live workshop conducted by Google Apigee team to gain Apigee product knowledge to apply the best practices at DST RS API projects. This workshop really helped me to understand Apigee better.

Surya 2018 - Accurate time reporting and work management

Throughout 2018, demonstrate ability to effectively track time and manage workload:

- Remain focused on assigned project.
- Accurate and timely time reporting

Due Date: 12/31/2018 **Status:** 5 - Complete **Completion Date:** 12/31/2018

Category:

Supports: 2018 - Ford - Accurate Time Reporting & Work Management

Weight: 20

Manager Evaluation

Rating: 4-Exceeded the goal(s) and expectation(s)

Comment: Surya can be trusted to keep on his time reporting and keep his commitments. Surya

Employee Evaluation

Rating: 5-Far exceeded the goal(s) and expectation(s)

Comment: - Remained 100% focused on assigned projects of Rapid Delivery Fee project, RS

will put in extra time if necessary to make sure that he is meeting his goals.

BSL, Apigee development and RICC Support activities.

- Reported the time Accurately all the time and always gave my best to the team and worked to improve on my overall productivity levels.

Additional Manager Evaluation

Surya 2018 -RICC

Based on my job responsibilities, work with my high performing team to efficiently support the RICC application with high quality within standards outlined in the appropriate SDLC.

Due Date: 12/31/2018 **Status:** 5 - Complete **Completion Date:** 11/14/2018

Category:

Supports: 2018 - Ford - Project Execution, Quality & Efficiency

Weight: 20

Manager Evaluation

Rating: 5-Far exceeded the goal(s) and expectation(s)

Comment: Surya has gone well above and beyond for RICC and RICC support. He gladly helps out whenever needed. He has done an excellent job at mentoring Sudheeshna and Sumalatha, as well as the support team for the turnover effort.

Employee Evaluation

Rating: 5-Far exceeded the goal(s) and expectation(s)

Comment: Eventhough I'm not part of the RICC team, helped Rob, Sudheeshna and Sumalatha to gain strong technical knowledge. Supported RICC nightly whenever needed even during my vacation time for smooth nightly processing. Actively participated in RICC Support turnover discussion for a easy transition of support responsibilities from development team. Provided quality technical direction to the core RICC team throughout the year

Additional Manager Evaluation

Surya 2018 - Special focus area

Continue to expand overall tech knowledge/understanding for Apigee Cloud Platform, APIM Tool, AWS Cloud Platform
- Info sharing – across the group

- Participant actively in Monthly Developer meetings

Due Date: 12/31/2018

Status: 5 - Complete

Completion Date: 11/20/2018

Category:

Supports: 2018 - Ford - Special Focus/Skills Development

Weight: 20

Manager Evaluation

Rating: 5-Far exceeded the goal(s) and expectation(s)

Comment: Surya has done an excellent job at getting up to speed on the APIM tool. He documents what he learns and shares it with others. I have been very happy with his ability to get up to speed on the portal, collaborate with others on approach, and reach out to Portal team for guidance when needed.

Employee Evaluation

Rating: 5-Far exceeded the goal(s) and expectation(s)

Comment:

- Volunteered to attend Apigee external training and shared the knowledge from that workshop on the Monthly development Meeting
- Worked closely with DST Apigee team and India team and built a detailed technical documentation on the DST connect for any developer to get start with apigee easily
- Gained excellent hands on experience in Apigee Cloud Platform, APIM Tool, Apigee API development
- Actively contributed to DST connect to build a quality technical documentation to improve the productivity of RS development and support teams
- Participated actively in Monthly Developer meetings
- Conducted training sessions to the QA and team to setup workspace for RS BSL, Postman and Apigee
- Played a major role in implementing RS BSL code generator tool and actively contributed in enhancing the tool throughout 2018 without impacting any of the project deliverable instead exceeded in reaching the timelines for most of the stories because of this tool.

Additional Manager Evaluation

Surya 2018 - Security Focus

'Throughout 2018, increase focus on Security through compliance with the SSDL in the Product Discipline Process:

- Execute static scans in development sandbox for all new code to ensure we are not introducing additional vulnerabilities
- Resolve all high / very high Veracode vulnerabilities introduced by the team
- Update security artifacts
- Complete security checklist

Due Date: 12/31/2018

Status: 5 - Complete

Completion Date: 11/20/2018

Category:

Supports: 2018 - Ford - Security/Risk Focus

Weight: 20

Manager Evaluation

Rating: **4-Exceeded the goal(s) and expectation(s)**

Comment: Agree with Surya's comments. He approaches all of his project with security focus and ensure the proper veracode scans are completed.

Employee Evaluation

Rating: **5-Far exceeded the goal(s) and expectation(s)**

Comment: - 0 Issues related to Security got reported for the code I have written in TRAC Web or RS BSL in 2018
- Implemented Rapid Delivery project and RS BSL APIs with security in mind.
- Execute static scans using Veracode in local machine before code migration to ensure we are not introducing additional vulnerabilities

Rating: **5-Far exceeded the goal(s) and expectation(s)**

Guiding Behaviors

Instills Trust

Gaining the confidence and trust of others through honesty, integrity, and authenticity.

Manager Evaluation

Rating: **4-Excelling**

Comment: Surya has gained the trust of his team, other teams and peers. He is always willing to help others as needed.

Employee Evaluation

Rating: **5-Talented**

Comment:

- I always personally believe in team work. I strongly believe we can not achieve anything significant if we can not work as one team.
- I'm fortunate to be part of this wonderful team which helped me to work very smoothly within the team.
- Utilized every opportunity to improve overall trust within the team.

- Was honest and ready to accept my mistakes anytime that helped me to gain trust within the team and outside the team.

Additional Manager Evaluation

Collaborates

Building partnerships and working collaboratively with others to meet shared objectives.

Manager Evaluation

Rating: 5-Talented

Comment: Surya will collaborate with others to ensure that the best approach is identified. Surya often participates in the Dev Community meeting sharing information that he has learned.

Employee Evaluation

Rating: 5-Talented

Comment: Worked very closely with architecture group including Dale, Reuben and Billie which helped to delivery highest quality code on time.
Always willing to help anyone within the team and outside the team, made myself available for anyone for help without impacting any of my project timelines.
Happy to won cash prize for the DST 2018 Hackathon by implementing SkillBook idea. Worked closely with Apigee team to gain end to end knowledge on building APIs in Apigee platform.
Worked very closely with RS Support, Middleware, Operations, JCL groups

Additional Manager Evaluation

Ensures Accountability

Holding self and others accountable to meet commitments.

Manager Evaluation

Rating: 4-Excelling

Comment: Surya is always accountable for his work and ensures that he meets his deadlines with high quality. He should ensure that he evaluates information coming to the team and ensures that the information is addressed even if it doesn't impact him directly.

Employee Evaluation

Rating: 5-Talented

Comment: 1. Demonstrated accountability for 100% of the work that I worked on in this year.
2. I always met and exceeded all of my commitments with highest quality on time.
3. Worked closely with Stephen to help, support, groom him to improve on his commitments and quality.
4. Worked closely with QA team to timely resolve observations and issues to meet overall project timelines with highest quality.
5. Worked on TWI Java project for the first time and Rapid Delivery project touched almost every layer of the TWI roles, worked so closely with application, business and architecture team to timely suggest and decide on all possible scenarios that helped to deliver with highest quality and within the time.

Additional Manager Evaluation

Client Focus

Building strong client relationships and delivering client-centric solutions.

Manager Evaluation

Rating: **3-Skilled**

Comment: Surya thinks first of the clients and their business needs. He also ensures that proper communication is provided to our customers, especially as it relates to impacts directly to our customers.

Employee Evaluation

Rating: **5-Talented**

Comment:

- Played a key role in understanding the requirements from the client perspective and bring technical suggestions/questions to build the product that is meeting the clients needs and improving the overall product stability.
- Worked closely within and outside the teams to deliver the best quality code within the timelines.
- Given utmost attention to all of the client related communication/questions to understand their needs and adjust our priorities to meet client needs.

Additional Manager Evaluation

Develops Talent

Develops self or others to meet career and organization goals.

Manager Evaluation

Rating: **5-Talented**

Comment: Agree with Surya's comments.

Employee Evaluation

Rating: **5-Talented**

Comment:

- This is a great year for me personally and professionally to improve on my overall skillset and I'm very happy to be part of overall organization success
- It was a great experience working so closely with the team when it impacted my team the most during the tough employee reduction process.
- Personally I earned lot of good friends which helped overall team and also helped me to focus more on work and deliver good quality code on time.
- As part of Rapid Delivery project, successfully delivered my first ever TWI development project which touched almost every part of the TWI experience.
- Gained excellent hands on knowledge on Apigee development and I could help multiple associates having questions related to Apigee.
- Played important role building the RICC technical competence in Hyderabad and here in KC throughout the year.

Additional Manager Evaluation

Communicates Effectively

Developing and delivering multi-mode communications that convey a clear understanding of the unique needs of different audiences.

Manager Evaluation

Rating: **4-Excelling**

Comment: Surya does a good job of communicating. He understands his audience and can communicate appropriately.

Employee Evaluation

Rating: **5-Talented**

Comment:

- Actively 100% engaged in all of the team discussions that helped the team to make collective decisions to improve the overall quality delivery.,
- Effectively communicated all technical updated via JIRA and emails for all of the projects that I worked on this year that helped everyone to understand the progress and helped team to make informed decisions time to time,
- Multiple associated appreciated throughout the year for my ability to document technical details on DST connect with helped developers and others across the teams to improve their productivity.
- Consciously paid highest attention while communicating general day to day project related updates within the team to make it simple, clear, with as many details as possible for a overall smoother project execution.
